I cared for Aletha as her home health nurse and I cherished our talks and I know she cherished her family so much. She talked a lot about her family and told me there was no greater thing than being a mother to her kids. She told me so much about you all so know that she loved you all so much. I haven't been her nurse since I left the company but she was always one of my favorites and I'm sad to hear that she passed and I will be praying for Don and the rest of your family.
