“ *Alice was my aunt. I grew up with her and all her sisters and mike and George. Phillip Clift was my dad. Alice was always there to keep me and my sisters entertained. She also lived with us while she went to school to learn how to cut hair. I remember her teaching me how to play cards and then how to play solitaire (that one may have been so she did not have to play cards with me all the time). She was very much loved and will be missed*
