“ I will miss you forever and always. All of the texts and random ILY's shared. All of those years you have been such a bright spot in my days. I had just sent Easter pics of the kids and didn't even know things were so dire. I'm glad your pain free and dancing with Jesus. Although your earthly presence will leave many mourning, you are living the best life right now. I still want to shoot a text to you and hear you love me one more time. Rest easy until we meet again. 💕

“ I couldn't ask for a better mother I don't think anybody could. You have a heart the size of Dallas... So loving ,kind , and giving I miss you so much already. I will and do miss us watching our favorite shows eating oyster crackers, Tootsie pops, toll house cookies. It may have gone home to be with the Lord but you will always have a very special place in my heart and I will carry that with me until it's my turn and I see you again
