“ My condolences to all of the Strait Family. I was sorry to hear of Bob's passing. He will remain in our hearts & thoughts forever. Although I didn't get to spend a lot of time with Bob I did have the chance to reconnect the last few years and was so happy to be able to talk with him since I moved to Oklahoma. Bob & Carol so graciously had a family reunion at their home in 2012 and we were all able to make some very special memories that will be with us forever. I will truly miss you my cousin. May you Rest In Peace until we meet again in Heaven. Love Always & Forever, Margaret (Bolton) Linares

“Thank you for calling Hilti , this is Bob” is something I will truly miss as I would occasionally walk past the Central team of Customer Service where Bob and I worked for so many years. Bob was some sort of an icon in Customer Service. He helped in one way or another so many team members in the many years he worked at Hilti. His help and kindness to people in general extended well beyond his time at Hilti. His love for family and wife Carol was evident in the many pictures and stories he would tell me. His love for fly fishing the Illinois River below Lake Tenkiller dam was always close to heart. I had heard he was well known among local anglers wading the cold water an early fall morning. Even here, when he would be the only one catching trout, so many would ask “what are you using?” he would take the time to show them. I was fortunate to talk to Bob weeks earlier. He said that as time went on, he wanted to be at home and be surrounded by family those he loved. Thank you, Bob, for being a friend, for making me laugh at some of your jokes, for sharing your grapes or whatever you were snacking on that day, and for exchanging memories and pictures of our grandkids. Rest in peace my friend, Alan.

“ So many memories, his first deer, the way he tracked deer, how he accused my chili of giving him hemorrhoids, magic mushrooms in a biker bar, and so many others. He was my brother in many ways. Rest In Peace Bob, will see you when it snows.
