“ I worked at Sears with Bobby, she was always so nice and friendly and was a pretty redhead. I remember we had a costume party, we were all sitting in the shoe dept waiting for everyone to get to work plus to see what they were wearing and in walks Bobby in a PINK bunny rabbit suit chewing on a carrot, totally unlike her but we laughed all day, she would hop around. She was so funny but very shy at the same time. As time went by we both were working at Muskogee Regional Hospital and both retired from there. I'm so sorry for your loss I know she will be missed. May she fly high with the Angels.
