“ I met Bonnie at Mid-Continent paper, Wichita Kansas. Everyone loved Bonnie. She was a go to person for many that worked there, be it personal or work related. I was fortunate to remain friends with her over the years. To have a close and beautiful friend in her was a blessing. I could never tire of our conversations. Time spent with her was special. Her family was her world. Charlie by her side for 25 years of true love was the final chapter. Together again in eternity is their Happily Ever After. She is at peace. Bonnie will never be forgotten, always loved, always missed. I pray for her family to find Strength and comfort with the Love and memories she leaves behind. Kathy
