“ Our dearest little Brantley. Oh, how we wish we could have had more time with you. However, your daddy and I are thankful for the few hours we did get to spend holding you, kissing you, talking to you and starrng at you in complete 'ahh'. We know you would have done great things in your life here on earth. We are so saddened that it was such a short visit but you have made an imprint on our hearts that will last a lifetime. We thank God for getting the chance to go through labor and delivery with you. We would do it one hundred times over just to bring you into this world and lay eyes on you for the first time. Keep an eye over your brothers and sister, baby Brant. They would have loved every second with you, feeding, burping, playing, singing, etc. They were already so proud of you! We love you beyond the stars, Brantley Chandler. Fly high, our sweet angel.  
Love, Mommy & Daddy
