“ *Carlene was so sweet to me when I was a little girl! People like her really brighten up a life. Always so funny, and energetic. I admired those qualities and being drop dead gorgeous as well, she just always lit up the room! I did not get to say goodbye, and am out of town for the funeral, which saddens me. You Hulberts are like family to me and have a very special place in my heart. If you need to talk, or if there's some way I can help, just let me know. You are all in my prayers. May you be comforted. .. Your friend always, Kim.*

“ *Carlene was my friend. She was a kind and giving person. Saying her name brings back the sound of her laughter and that sound makes me smile. She had the ability to make a person laugh even when things seemed so hard. She made you feel better and believe things would be okay. When she walked in a room, it felt like someone turned the lights on. It was a brighter world. She loved her family and her friends and would do anything to help them. It is hard to imagine the world without her in it.*

I hear you, Susan! I can hear her too! In arms of angels, now. ..And with all of our loved ones already there...In good company. ..
