“ My deepest sympathy to all the family and especially to my new grandson in law Taylor. My biggest regret is Carol and I never got to come to know each other better. I could tell she was a special mother and grandmother to all her children. The love Taylor has for his mother told me that she was special. I'm sending all of you prayers of healing for I know myself the days ahead are going to be difficult. But be comforted in your memories of her and hold on to the special place she had in your hearts. With deepest sympathy,
