“ What a tragic loss of an amazing young man who was so very loved. He was so chill about life but driven by how much he loved his children and family. His music, laughter and hugs told you everything you needed to know about him. Such a decent, gentle guy in this rough and harsh world. I'm so proud of the man he became. My brother recently passed away and he was there to support me and his family non stop from Texas. That's the way he was. We are heartbroken but so blessed to have had him in our lives. Love you, Dad and Julie
