“ My father. I do not remember it, but momma would always tell me about us playing Carolyn the Carp, Christ the Catfish and Alicia the Angel Fish. You would always chase us through the house. Your life was tough, but you lived it to the fullest I have no doubt about that. You were a strong man with a strong will to survive under any circumstances. I know you are up there with momma,your mom and Cheryl having the time of your life. We will love and miss you.

“ We will miss you brother so much! You will live forever in my heart. I will remember all the fun and laughter we shared. All the music we listened to on MTV back when it was a good station;) the way you played and loved my children, and I knew if I ever needed you, you would be there for me! I only wish you would have listened to me more! I will always love you! See you in heaven!
