“ I remember Curtis when I was a senior in high school and he had just returned from Viet Nam. He was a charming young man and we were friends for years after he gave me a ride after school to my grandparents house. I hope he lived a life he loved. My condolences to his children and family. God bless him always. Leigh Ann Bookhout-Kohne, Las Vegas, NV

“ Sincerest condolences to his family. I've often had the thought about Curt, that I never knew anyone who could listen to music louder. He had a great sense of humor if distant memory serves. He will be missed by many. I hadn't seen him in many years, but he still had a place in my heart.

I've been friends with Curtis since school. He was a sweetheart. We still talked on the phone. In school he was voted the biggest wolf and I was voted biggest flirt. We always laughed about that. He will be missed
