“ *David koone may have been born a man but he passed a legend. The numerous lives he blessed just being himself. The wisdom he passed on. The family he brought together. The bond we have, Like my wife said " it's the family that chose each other". It's a bond that cant be broken. He built a legacy that we will carry on. Dad, you were so many things to me. It was a privilege and an honor ol' man. We will carry on the legend of David Lamar Koone. Legends never die so there's no goodbye needed. I love you more than I can express. Soar high ol'man!*

“ I always considered Koone as my brother. I remember so many conversations we had about family and he loved to quote, “A friend near is more dear than a brother far away.” Well, I love and miss you brother. Thank you for the love, support, and nuggets of wisdom that I will hold close to my heart all the days of my life. Until we see each other again, Rest In Peace my friend. I love you like a brother and you know I wouldn't take for you.
