“ *Diane has always been kind to me. I have been the recipient of her handiwork, of which she had so many talents! She was a beautiful seamstress, she crocheted and also did embroidery work.*

When my family moved to Neosho MO, where we didn't know anyone, Diane and Jerry drove to see us and welcome us into the Midwest. That was sure nice of them. Through the years Diane and I have stayed in touch. She has sent me birthday and Christmas cards throughout the years. She has been a steady and loving friend. God bless her loved ones with peace and love.
