“ To your loving family I am so very sorry for their loss. You are a very dear friend that I was blessed to have reunited with a few months ago. Several friends and I were able to have lunch with you and visit about all that had happened in our lives and all the blessings we had been given. You were so happy sharing about your children and grandchildren. Thank you Lord for giving me those last memories with Orvetta and I know she is with you a now.
