“ *Dj was my brother in law for years and a friend for more years than I can remember... will always remember him being a clown, always trying to make people laugh and smile no matter what...*

“ *A memory I have of DJ is when we were young kids. We would all go fishing out in the boat with our grandpa . It was Grandpa, me, Mandy and Dj all out on the boat fishing one weekend . Since DJ was the smallest , grandpa always let him use my favorite lil blue pole. Well needless to say Dj wasn't paying attention and he was playing with the bait instead. Just then he got a bite, as we turned my favorite pole swooshed off the boat and went under the water. To this day there is a fish carrying around my pole because DJ loved playing with the bait more than sitting and watching the pole lol. I'm not sure why but when I think of Dj that memory always comes up first. DJ we will miss you here, but now you are fishing with grandpa and Mandy in heaven.*
