“ Connie and Larry my thoughts and prayers are with you both during this time. She was a very beautiful lady and will be greatly missed by all. Just remember the good times. She is in a better place now with no more pain and suffering. She is with our heavenly father watching over you both.
Just know that Ted and I are always here for you.

“ I have loved Louise from the time I was a very little girl. She was always so kind to me. She was one of the most glamorous and graceful woman I had known. I was so touched that she came to my wedding with Connie and her family. It meant so much to have her there. She was my mom's best friend. I'm so thankful to have known her and to have loved her. She gave me two of the most precious gifts I could ever have.....Connie and Larry. I love you all and know that I'm sending hugs to all of you.
