“ Our family has had the pleasure of living near this lovely lady for 15 years and she kept Jerry on his toes! She had no trouble giving him a challenge with her quick wit, or looking out for cattle, kids and him with her sharp eye. We will miss her greatly! Love you all and keeping the family in our prayers!

“ I had the pleasure of knowing Eloise for many years and there was never a time that she didn't put a smile on my face when I saw her. She was one of my very first patients when I opened my dental practice 27 yrs ago and when I would look at our schedule and see her name on it, my day was instantly better. I also knew I better be ready for a lot of laughter because she and I would always cut up with each other. I am thankful that I was able to tell her I loved her the last time she was at my office but I'm sure gonna miss her smile!! God bless you dear lady and keep them laughing in heaven.
