“ *I haven't seen Estelle in years but I do have memories of her and the family.*

She was a dear friend of my mother's when we lived right next door to her and the family. I was a classmate of her son, Bill. She was always so upbeat and always smiling. When my Dad passed away she was right there to comfort my mother, even though we had moved and not next door neighbors. When my Mother passed away, she was right there to comfort all of the family. I'll always remember her kindness. She was a special lady! I know her family will have many precious memories of her.

Im sending love and prayers for you all!

“ I'm so saddened to see this! I worked with Estelle at Griffin's and had the great honor of knowing her and attending her retirement party at Griffin's. She was definitely one of a kind and one of the HARDEST working people I've ever known. I'll always treasure my memories of her and think of her fondly. Heaven gained one of the best! RIP Estelle, until we meet again, my friend....Love, Ginger

“ Estelle was like a 2nd mom to me during my teenage years. Spent a lot of fun times at their home. Carol and I used to go play bingo with her sometimes and she would even share her winnings with us. We always had a great time together just laughing and enjoying being together. I loved spending time with them. I love Estelle very much and am praying for the family. She will be greatly missed by all. Love to all, Phyllis Rowan O'Brien
