Eugenia Joyce (Bates) Chappell, 80, of Tahlequah, OK was born to Bertram and Edna (Weber) Bates on July 10, 1943 in Pocatello, Idaho and peacefully passed away Monday, July 10, 2023 in Muskogee, OK.

After graduating High School, Eugenia furthered her education and became a Licensed Practical Nurse. She worked as an LPN for forty-eight years, when she retired she was serving our Heros at the Jack C. Montgomery Veteran's Hospital in Muskogee. She adored her cats and was always entertained by them. Eugenia loved spending time in her garden and enjoyed the fruits of her labor. She was a really good cook and once she heard a song she could play it on the piano. One of her joys was to spend time with her beloved friends Marilyn and Roger, but her greatest joy was spending time with her grandchildren and doting after them. Eugenia will be missed by all who knew and loved her.

Eugenia is lovingly survived by her sons, Jackie Johnson of Keller, TX, and Craig Johnson of Ft. Worth, TX; her daughter, Wendy Wells of Flower Mound, TX; 10 grandchildren; 4 great grandchildren; extended family; and many friends.
