“ My heart breaks for you all at the loss of your mama, my Aunt Bugs. She was a beautiful, funny, loving, and fun lady. She has left us all with great memories and I will always smile when I think of her. I was blessed to have her as my aunt. Love you all very much. I am sorry I cannot be there today but know my love and prayers are will each of you and your families.

“ We have lost a beautiful light. Bugs was beautiful inside and out. She was a good friend, sister-in-law, co-worker and aunt to my children. I love her children like my own. She was smart and wickedly funny. Sending love and sympathy to all of her family. I know her light and beauty shines on in her children, grandchildren and great grandchildren.
