

Farrell Streeter Nance

January 31, 1921 - August 25, 2017

Farrell Streeter Nance passed away peacefully at his Stilwell home August 25, 2017. He was born to Enos Streeter Nance and Etta Lou Marlow on January 31, 1921 in Fresno, California at his parents' home. He married Juanita Sullivan on December 16, 1938 in Reno Nevada, later solemnized in the Los Angeles California LDS Temple on September 27, 1957. They had three children together and Juanita died January 10, 1980 in Orem, Utah after 42 years of marriage. He married Wilma June Howard Sloan on February 9, 1981. They had 36 years of marriage and Wilma June died April 12, 2017 in Stilwell, Oklahoma.

Farrell loved and influenced the lives of his children, grandchildren, great-grandchildren and great-great grandchildren. He was an avid hunter and loved camping and hunting with his family. He served in the Army during World War II in the Philippine Islands. He was a sharpshooter and was classified as a Rigger. He had his own business as a watchmaker and Jeweler for many years and specialized and loved working on Antique Clocks. He would work in his shop on his property as he could and loved that work. The last year he was unable to go there as often because of his health issues. His later years were spent farming and raising cattle in Oklahoma, which he and his wife loved. Farrell was a prankster and a tease, first with his children and then his grandchildren and his laugh was very contagious. His favorite pastime was spending time with his family and loved ones. He lived his life "finer than frog hair."

“ *So many memories....Where does one start? His family was my family. His children were brothers and sisters to me. We shared so many fond memories and adventures together in those early years....I will cherish them always and now I am saddened by the loss of a true hero of my youth. Rest in peace my uncle Farrell.*

Donnie Marshall, eldest son of his sister Torie.

“ *So years ago this older guy from Utah with a tremendous work ethic and good sense of humor moved across from my parents home. He commissioned me to do a painting of their place for his wife June whom I already miss..Farrell was such a good man and neighbor his family are all so nice and good people. He will be sadly missed.*

“ I fondly remember my great-uncle Farrell. I remember a kind man who had that "Nance" twinkle in his eyes, as so many of the descendants of Enos and Etta had or have! When I was 11, he worked at White Front on Blackstone and Ashlan in Fresno, as a watch repairman. I would walk there from time to time with my friend, Carol and we would always stop by to say hello to him. I well remember buckets and buckets of home made ice cream that Uncle Farrell and Uncle Vernon would preside over, at Great Grandma and Great Grandpa Nance's ranch on S Cedar on many family get-togethers.

I am Donna Crader, Torie's oldest grandchild, Marlene's oldest child.
