“ We will sure miss Aunt Florene. We always enjoyed visiting with her in FG or in Branson. Our kids were blessed to have her as one of their lunch ladies too, she would always ask them if they got any chocolate gravy when they would make it because she knew they loved it. Gods light definitely shined in her, so loving, thoughtful, accepting and caring. I will always treasure one of the recipe cards she sent me and on the top she wrote "from Aunt Flo with a little help from Taste of Home." She will forever be in our hearts! Debbie and Troy Lee we are praying for y'all.

“ We're blessed to have a large family and every aunt and uncle in this family has a special place in my heart. Aunt Florene will always be my "Aunt Granny." She always told me I was special because I was almost born on her birthday and because we are both left-handed. Now that I am grown i know each and every niece or nephew was special to her. She taught me how to crochet, rarely missed sending a birthday card and surrounded me and everyone else with love. She was a blessing in my life and will be missed. Debby, Troy, Deborah & Jamie-you are your families are in my prayers.

“ *The LORD put some people down here that bring His kindness and positive presence to all who encounter them. In my life Flo was one of those people. Her smile, her laugh, and her genuine love of life are in many of my school memories.*

My deepest condolences for all of you that had the privilege to be her family. May God give you the strength and comfort to see you through this time.

“ *Aunt Flo was my 2nd Mom. She always welcomed me with a big hug and that terrific smile. Sometimes when I was in town I would call her and see if she would like anything she would always say "oh you don't need to bring me anything, but a hamburger" (or chicken or whatever she was in the mood for it that time) she said she would probably like. I, like the rest of my family was so very blessed to have her in my life and I will miss her terribly.*

Deb, Troy and families, Debra, Jamie and families, all my love and prayers .
