“ We are so sorry to hear of Freda's passing. She and Wayne were wonderful neighbors for many years. We saw them at the Shawnee Mall and had a fun visit a couple of years ago. What a beautiful person inside and out. Our hearts go out to the family and friends.

“ Uncle Wayne, Lisa, Denise and Families,
While we know Aunt Freda is in a better place today, that does not ease the break in our hearts. Sol and I loved her SO much. I envision her and my mom chatting away together along with all our departed loved ones. I pray the thought of them being all "giddy" together brings a smile to you as it does to me. I can almost hear Aunt Freda's and mom's laughs. I know from my conversations with her how very much she loved each one of you and how incredibly proud she was of her children and grandchildren. She cherished you all. I also know from experience that tears shed today and in the days to come will eventually give way to fond memories of her that will bring you much comfort. We love you all very much and please know that the sorrow you feel is shared in our hearts and the tears you shed, we also shed, just from a far.
All Our Love,
Kim and Sol
