“ If you were blessed to know Susie and share her love then you experienced a person who loved family and friends deeply. Susie was so candid and honest always knowing what she thought and where she stood. She was strong in spirit and lived life with determination. Having known her since grade school and keeping in touch through the years I was truly blessed to love and be loved by Susie who entered heaven's gates to her forever home! 🙏🙏🙏💕💕

“ *Ms. Susie will be truly missed! I loved visiting with her every Wednesday night between matches. I played pool while she played Moon. But conversations could go on for days if we were talking about food! She shared so many recipe ideas. She was a blessing in my life for sure!*
