“ *I am so sad to hear this. Gail and I were friends in Junior High School and High School at Fort Gibson, Oklahoma. We lived only a couple miles apart so we rode the school bus together and we would ride horses together. We had such good times when we were young. I have enjoyed seeing her posts on fb of her bicycling adventures. So sad now but I know she is in a better place with her Lord and Savior. My prayers for all her family, I know you miss her so deeply. God Bless all of you.*
