“ *My Dad.... ❤️ There just aren't any words, yet so many things still left to say. So many memories and I'm thankful for them all. He was always there for everything. The good times and bad, the tears, the weddings and funerals, the holidays, the grand babies, all the fights and all the laughs.*

My Dad really had a huge heart. He lived life his way and on his own terms. His personality would never allow him to do it any differently.

Our family dynamic has definitely changed and we can feel the shift everyday. We all depended on him for so much. He could fix anything and would stop everything in a moments notice to help us. He always had an opinion and was full of advice, wether it was about boyfriends in high school or a lengthy lecture explaining why we shouldn't race our cars over speed bumps.

I love my Dad and I'm going to miss him so much.

XOXOXO

“ The thing I love most about my Uncle Gary is that he always had a smile on his face. It was hard to find a picture or recall a memory where he wasn't smiling. On top of that, he always gave everyone the giggles with his contagious laugh and sense of humor. I can only imagine his beaming smile, now that he has made it to heaven. I love you Uncle Gary.

“ I worked with Gary for the first half of my career at Navajo County. Anytime you worked with Gary was an adventure. Never a dull moment. Always a story or a joke. He was a cops cop and a good friend. RIP Gary, you will always be remembered by me. Glad I was able to see you one last time in 2016. That group picture means more now than we imagined.
