“ Miss Geneva was a very precious person to me. When I was nine, I wanted to do anything and everything with horses and she had a Palomino name Bliss that she let me use when I went into competition with Hunter under saddle in English. Marty trained me to where I had the most beautiful horse and the best trainer to win the competitions! Later when I moved onto barrels, she encouraged me to be the best and continue to have a relationship with me. I remember the horse riding trail trips, and how much fun we had. She was very selfless to me, and even though I was not her blood, she treated me as if I was. I will remember the time that Miss Geneva put in to have a relationship with me. I remember cleaning out the barn and sleeping there. I remember jumping over pillows in her living room and pretending I was jumping over hay bales as a horse ... when I was planning my wedding, Miss Geneva said I could have the ceremony in her barn Overlooking Muskogee. She will always hold a place in my heart. And her kindness to me will always be remembered. Eden Maples-Ward

“ Geneva was a dear friend. She made our trail rides so much fun! From bringing hair color so we could help her color her hair to Shanghai rummy card games we played in the evenings. We enjoyed packing lunches to enjoy out on the trail. We always had a great time and lots of laughs. She was a jewel!

“ Geneva and I worked together for so many years! They hadn't even had Jeff when we went to work together! We were as close as sisters as you kids all know! My heart is broken over her passing, but she was so beautiful and smart! I know she is whole again and that helps my pain a little! God bless her precious family and thank you for taking such good care of my friend!

“ *What a blessing it was to have you in our lives. Even though we know you are in a better place beside John & the two of you are smiling down on us, while holding hands walking those Streets of Gold, you will be greatly missed. You were my second mom & always there for me thru the good as well as the bad. The memories of all the fun & laughs on all the Colorado trips will be forever cherished in my heart.*

We Love you
