“ *Sharing sympathies to the Carman family as you navigate ways to live without your beloved George..What an incredible life he lived and shared with so many. His service to our country during war and peace speaks well of his deep commitment to us all. Although we did not know him well we feel as we do from those who shared time with him. Love from the Belle Cahoon family. Carolyn Anne*

“ *I had the privilege to meet George and Jo in 1965 when his nephew Frank, took me to their home for the first time. They were such a fun, friendly attractive couple. It was always a pleasure to see them. Years later if our paths crossed George always spoke.
Dear family, May God help ease your grief.*

“ When I think of George I remember a kind man who taught me how to water ski over 40 years ago. His patience and coaching on helping me come out of the water enabled me to enjoy years of water skiing. His friend Larry Snyder had the boat and together I learned to ski.
I also remember his engaging presentations at elementary schools on safety around electricity when I was teaching.
He was a fine person who will be truly missed.
