“ I remember well when I'd go visit Gwenn and Heather while Jesse was in the Army. We'd always listen to John Denver's music and I still think of her when I hear one of his songs. I've been thinking of her lately and wishing I knew how to get in touch with her just to say 'Hi, remember when?' and reminisce with her about all the good times we had. I didn't know of her passing nor of her services or I would have attended. She will definitely be missed by many and remembered by all who knew her. Rest in peace my friend.
