“ *Having known Wade, I know he is smiling down from heaven, he was a great man, brother, son, and friend. His family and ours would go out to eat and would always have a great time visiting, we will miss him dearly, I am gonna miss his sense of humor on life, government, politics, and everything you can think of. We pray for his family and pray for comfort during these times. I know Wade had told all of us not to be sad and for all of us to know that he was a child of god, and loved all of his family and friends. Most of he wanted us not to hurt, when it came time for him to go. We love and miss u ole Friend.*
