“OMG, Teler I'm so sorry to hear this. I've been in OKC and away from Muskogee for about a year now, so I just heard about this. I'm so sorry, I will keep you in my prayers. Your a great mother Teler, I know how much he meant to you. I remember how dedicated you were to getting him back and getting back on your feet after you came to Muskogee, when we met. You have to stay strong . You have to keep your head up, and dont let the memory and pain drown you Teler. You have a family that depends on you, and I know your strong. Now is the time when your strength is going to be put to the test. I cant imagine exactly what your going through right now, and Im so sorry that your having to .I know that he is in heaven looking down, not wanting to see you hurting. And remember, he will forever be your Guardian Angel, he will always be with you Teler. If you need anything at all , or just want to talk , sometimes it helps to just have someone listen, give me a call 918-340-4901.

Sincerely,

Brandon M. Nichols
