“ *Jackie was a beautiful person. She loved her family. One year when they lived in McAllister we went to visit and she wanted to learn how to make tamales. So we set out on a road trip from Southern California my husband and I, with frozen masa which stayed frozen til we got there very cold to mix, corn husks and all the makings to make tamales. We had a wonderful time laughed a lot and she kept saying I didn't know it took this long and a lot of work. We love you. You know your children will be well taken care of by your beloved Larry. ❤️ We love you Jackie.*
