August 29, 1952 - November 6, 2020

Jacquie Rosalie Hobbs, 68, of Fort Gibson, OK was born August 29, 1952 in Pryor, OK to Oscar and Geneva (Cochran) Franklin and peacefully passed away Friday, November 6, 2020 in Tahlequah, OK.

She was firm in her faith, being baptized at the First Baptist Church in Locust Grove, OK at the age of 9. She met and later married the love of her life, Scott Hobbs, on October 23, 1978. They had many wonderful years and made many memories together.

Jacquie attended college and received her degree in Cosmetology. She was a self-employed Cosmetologist for 33 years and was a social butterfly. She loved her clients, who she considered family. Jacquie loved to read, working cattle with her family, and was the best cook. She was a great moon player and played it very seriously.

Those left to cherish her memory are her husband, Scott of the home; sons, Chris Wilcox of Jay, OK, Zach Hobbs of Fort Gibson, OK, and Clay Hobbs of Fort Gibson, OK; sisters, Jo Read of Tulsa, OK, Francie Reed of Nacogdoches, TX, and Marti York of Anchorage, AK; brothers, Bucky Franklin of Choteau, OK and Richard Franklin of Grove, OK; seven grandchildren, many extended family members, and a lifetime of friends.

She was preceded in death by her father, Oscar Franklin; mother, Geneva Cochran; and her brother, Sonny Boy Franklin.

A Celebration of Jacquie's life will be held 2PM, Saturday, March 27, 2021 at Chouteau City Cemetery West in Chouteau, OK with Pastor Tommy Honeycutt

officiating. In lieu of flowers, the family request memorial contributions in Jacquie's name to a non-profit organization of your choice.

“ I have known Jacquie since her family moved to Tahlequah. She lived just across the field from us on the old Kisenger place. We were good friends in Jr. High and High School. She always had a ready smile and laughed easily. She was the first haircut I gave to someone before I became a hairdresser in High School. I thought her to be brave because at the time she had very blonde hair and a bad cut would have shown easily. Fortunately it turned out well. I was far more concerned about it than she. Most recently Jacquie and I both served on our 50 Year Class Reunion Committee for Tahlequah High School. We hadn't seen each other in a long time, but we picked right up where we left off and had a grand ole time at our meeting. COVID hit and we were not able to meet in person and eventually had to postpone the reunion. Little did we know that when we said goodbye after our meeting that it would be for the last time. My heart is broken and I still can't think about her being gone without tears flowing. I have been praying for Scott and the boys and praying for their peace and comfort at her loss. My comfort comes in knowing that Jacquie knew the Lord and one day I will see her again and see that beautiful smile and hear her laugh again. Condolences to Scott and the boys, her sister Marti, and the rest of the family. Jacquie is greatly missed. Although when we do get to have our class reunion Jacquie will be missing in person, I know there will be many wonderful memories shared by those of us who knew well and loved her.

“ My heart is so uncomfortably hurt right now, and completely in shock. I was just out there a few week ago getting my hair cut. Ginger Whitehead started taking me out there a few years ago, then my gma and mother were soon to follow. When we were out there it was much more than just a hair cute it was like a second home. Because that how she treated you. She never judged you or thought down on you for the things you did, she was always there with a smile, sometimes a STERN TALKING TO but always love. She was alway on top of the latest gossip, so if you missed something you knew Jackie would have the scoop. We always talked about her boys and grandchildren each and every time we went out there. She loved them and her husband with the purest love ive ever seen. My boys grew to love her as Garrett got to ride along sometimes and Jacen always loved going to see his Jackie. Finding someone to due our hair will be hard because she did it so well, but finding a friend like that is impossible to replace. God definitely gained an angel as we sure did loss one. My heart goes out to the entire Hobbs Family and my dearest sympathy to her husband.

“ I met Jacquie through the Hobbs family that I went to church with. Always thought Jacquie was a fun person to talk with and be around. She at one time cut my son, Steven's hair back in his teen years . Last time he and I both saw her was at a girl's soccer tournament in Coweta in 2017. It was so good to see her then. It is a shame to live in the same small town and not see each other more often. My deepest sympathies to all her family. She will truly be missed by all who knew her or ever knew her.

“ First knew Jacque through her oldest son, Chris Wilcox, who hung  
out at our house with my little brother...later as my family and I  
moved back to the area, Jacque became our official “hair cutter” as  
my little girls called her. Good memories...hugs to all of her family

“ I did not have the pleasure of knowing Jacque as well as my mother Belle, cousin Janet and others in my family. But fortunately for me, a few memories shared with her remind me of such a lovely, warm, kind and wonderful lady. She seemed to “glow” as she spoke of those dear to her and she took time to share of herself and many kindnesses toward others. Mom loved any time spent with her and Scott. I remember her often commenting how special they both always made her feel. I hope now in some small way I can make her family and friends feel comforted and special in knowing that so many of us are caring deeply for them. With deepest loving sympathies, Carolyn Cahoon Watts

“ Jacque and I were friends from high school and shared our days following graduation as we each began our families. Our two oldest sons were born within days of each other and that space in time holds fond memories of Jacque as a dear friend. Prayers and condolences for her family in this sad time.
