“ I'm Trish, I'm not a blood relative but he never made me feel otherwise. Sister of his grandsons, my heart breaks for this family bc I'm so close to them all. He always told me things and never knew whether to believe him or not. Will sure miss that big hug from him and hearing that I love u girl! That smile that lights up a room, and I can't go anywhere where they don't know him and everyone loved him! Love u JD! You will surely be missed esp this year as Justin's senior year we know u will be there! ❤️
