“ *I sure do miss you Jenn.... You were here one day and gone the next. A million things have happened over the past two years and I've picked up the phone a million times to call you, so we could talk about them, but while searching for your number realized you were gone... You had a huge smile, and even bigger heart. And I am a better person for having known you so thank you. I have several things that Jennifer posted and loved to share alot... I'm going to try to upload a few of them if it will let me so that I can share Jen's quick wit and humor with everyone. I Sure do miss you my beautiful friend !!💕💕💕*
