“ To the family ~~

Having only learned of Jerry's passing in the last few days, please allow me to express belated condolences on behalf of the Braggs History Project.

Jerry served in the U.S. Air Force and the U.S. Army/National Guard. His name is listed on the Vietnam monument at our Braggs Veterans Park. He will be remembered as long as stone stands.

He answered the call of his country during a time of war. Jerry earned the gratitude of a grateful nation and his community.

With deepest sympathies ~~

“ *Jerry, I don't remember a day in our childhood that we did ot at least see each other. We watched cartoons, built forts along the creek, played cowboys, army or shot wasp nests
Seems like we found so many things to fill our days. Loved those days and treasure all the memories even when you hit me with a rock in the head. Love youy cousin and longest friend!*
