“ I remember always loving spending time with Jimmie. I remember him always being mischievous and picking on me. He was such a sweet caring man with not much in words but always quiet in spirit and listening near by. LaVerne reminded me that I always wanted to drink the same pop that he was drinking. I will always remember Uncle Jimmie and the role he played in my growing up. He was such a special man. Rest In Peace, Uncle Jimmie and I will see you again.
