“ *Casa,*

My heart is breaking for you and the girls. The funeral service was perfect. The songs were so beautiful. The pictures gave me even more memories to keep forever. She was so sweet to me. She took me to a pancake place where Greg was working for free breakfast back when M'Leah was little among other things. I missed getting to be around her for the last few years, but she is etched in my heart. Take it one day at a time and lean on anyone you can for support.

Love,

Ginny

“ Jodi was my sweet little niece and she was loved and will be missed. I remember when she was about 3 and I was babysitting. She was in the front seat with me as we were driving and she grabbed the gear shift and put the car in neutral. Naturally I yelled. She said, "you yelled a me! I'm going to tell my daddy on you!"

Love,

Aunt Ginny

Jodi, we are going to miss you more than you know! I have some of the cutest pictures of you that I will cherish. I was looking at one this morning where you were painting my fingernails, and I will never forget when you and Ashley would style my hair. You guys got pretty rough at times, but I came out looking beautiful in your eyes. Rest in peace! God be with you!
