“ *Jody and I went to Hawaii in 1982 and had the time of our lives. We worked at E&F construction building unit 6 of OG&E power plant. She was my best and most beautiful friend. I am so saddened to hear of her passing. She was eleven years younger than me but we were still best friends. I don't think either one of us ever forget about that wonderful vacation we took to Hawaii. We both used our income taxes that year to go. She always had a big smile on her face that was like a ray of sunshine every time I saw her. I know this has to be such a big loss to her family. My thoughts and prayers are with all of you. She knew me as Sam Moran*

To The Chandler Family: I am so sorry to hear of Jody's passing. She was a lovely, kind, hard-working woman with a wonderful sense of humor. We've been packaging colleagues since 1996 through an affiliate company. I travel to OK and AR in my sales territory and always enjoyed talking with Jody. I last saw her 1-week after she'd returned to the Fort Smith plant post-medical leave. My thoughts and prayers are with you. Sincerely, Carol Keller-Michaelis, St. Louis, MO

“ Jody was my sister, my rock, my best friend, and now my angel. We were born 14 months apart so we went through our baby years, teen years and adult years together always together. I can't remember ever having bad words or fighting like most siblings. We shared everything because our family was so large but I never remember either one of us complaining. As adults we were miles apart but still visited each other or talked every chance we got. I loved her so much I set her up on a date with George who married and cherished her many years until the day she passed. George called her his lovely wife. Jody was beautiful and touched the hearts of many people. Jody will be missed so much by George and her kids, grandkids, and family. Some of us will be lost...ME!! Sad as I am; I will always cherish all the times we laughed, shared, and the time God gave us for we were SISTERS. Jody would say in closing "Life is to short and unpredictable so soak up every drop of enjoyment you can" and "If your going through hell keep going".

“ I am so sorry. Words cannot express my heartbreak and I am so sad for you all. Jody was the best part of my childhood. Although our paths drifted apart over the years, I thought of her all the time and was happy to see her when we had the chance. Facebook allowed us to reconnect and peek inside each other's lives in recent years and I was so happy for that. She was the best of us all and losing her feels so unfair. I can't imagine how hard this is on each of you and I pray the memory of her laughter and love will ease the pain of your loss today.

I thought I'd share some of my favorite "Jody" memories.

One of my favorite memories is the time Jody and I skipped school and went to Porum to watch the boys play baseball. Before leaving school we asked Mr. Johnson if we could go. He said, "Now, I can't tell you girls you can go watch those boys play ball." We decided he didn't say we couldn't go, only that he couldn't TELL us we could go. So we went! The next day he tried to paddle us, but he hit Jody in the head with the paddle when he swung it to hit me. We all laughed so hard he couldn't finish whipping us!

I remember the dresses Carol Jean made for Jody and Janet for Prom. Jody's dress was purple, her favorite color. I thought it was the most beautiful dress I had ever seen. She and Janet were gorgeous that night, but then Jody always was the prettiest girl in our class.

I have so many memories of her laughter, her orneriness and her kindness. She was my very best friend and I am going to miss her so much!
