“ I will miss my other mother Ms. Joyce. I met Joyce at Creek Nation when I was hired to work in the finance department. She took me under her wings. She was there for me during my divorce, remarriage, my third child's birth, and whenever I needed someone to talk to. We laughed and cried together for over 35 years. She was truly a friend and I will never forget her. Love you Joyce. My prayers and thoughts are with her family.
