Judy Kay Wright, of Wagoner, Oklahoma, passed away peacefully in Tulsa, Oklahoma on May 23, 2026, surrounded by her loving grandchildren. Judy was born on December 2, 1946, in Stillwater, Oklahoma, to Arther and Murl Bull. She was a beloved mother, grandmother, great-grandmother, sister, and friend whose greatest joy in life was her family.

Judy is preceded in death by her father Arther Bull; mother, Murl Bull; Sisters, Vivian Lucero, Sue Morrison, and Carol Tally and brother; Don L. Smith; husband, Leonard Charles Wright II and her son, Leonard Charles Wright III.

Judy shared nearly 58 wonderful years with her late husband, “Pudge,” building a home filled with laughter, comfort, and unconditional love. Together they raised two boys and created a place where everyone always felt welcome. To so many, Judy and Pudge were a safe haven — the heart of the family and the home everyone gravitated toward.

Nothing brought Judy more happiness than gathering loved ones around the table. Cooking meals for her family and spending quality time together were some of the things she treasured most. Her home was filled with the comfort of good food, conversation, and love.

Judy found joy in drawing and painting, expressing her creativity in beautiful ways. She also adored the holidays, especially Christmas. She delighted in finding the perfect gifts for her children, grandchildren, and great-grandchildren, often beginning her Christmas shopping as early as February. Watching her family open those gifts brought her pure joy.

Judy's faith was an important part of her life. She was a dedicated member of Holy Cross Catholic Church, where she found strength, community, and comfort in her faith throughout the years.

She was a devoted sister and sister-in-law who cherished time with her siblings, traveling whenever she could to visit them and always opening her doors to loved ones with warmth and hospitality.

Judy's kindness, generosity, and unwavering love for her family will be remembered forever. Though she will be deeply missed, the memories she created, in the hearts of those she loved will continue to live on for generations.

“ Judy and Pudgy were great friends for years - from growing up in Tahlequah to living in OKC. They provided Angela and me our first dining room table when we were starting our family. The entire family are in our thoughts and prayers as they move forward without her in their lives daily. May she rest in peace - and with all her family members who have gone before her and come after her.

“ I have so many memories of my beautiful Aunt. From her infectious laugh and big bright smile to the fun times watching OU games or hanging at the lake. She would make her famous taco salad and basically tune out all the craziness of the many kids/cousins running through the house getting in to all sorts of trouble. She was always the first to receive the annual Christmas card from and I loved that she always tried to keep up by phone no matter the distance between us. The cousins will understand when I say I wonder if they are all together now, still watching the chaos of our big crazy clan we called family, spread out now, but still feeling connected because of her and the bond they all created for us.

My aunt. My godmother.

Cousin Lynn wrote about some beautiful memories of our times together. Taco salad, OU football and the lake. The cousins have those memories. But we also had the honor of watching her with her grandchildren. Her love for them was fierce. It was beautiful. The last 4 years, every time we were together we bonded even stronger. She loved unconditionally.

Yes Lynn, they are all together again with our Lord.
