“ *Karen will be missed by many. She was so funny and caring. Her and my Mother would talk in the back yard across the fence to one another, laughing and visiting with one another. She was so special to us, we loved her so much. She would come over and play games with my Mom and brother. They had so much fun.*

If you needed anything she would try and get it for you. We will miss her so much.

Marylou, Lydia, Lenny (The Banker).

Our prayers are with the family. May she rest in peace as her family welcomed her home.

We will miss you Karen.
