“ I will always remember that lovely lady that ran interference between the teachers and some of the crazy parents at school. The students would always want to go get a Band-Aid from Miss Karen because she was such a gentle, kind & loving Secretary, that gave good hugs! Also remember Dusti and Kevin during their elementary years. Dusti was the shy, quiet student, while Kevin was the typical boy! My thoughts and prayers go out to Tommy, Dusti, Kevin and all the rest of the family,
