“ *Kenny, Kenny, I'm so sad...always a smile on his handsome face
with blue eyes that would cause any girl to drool. I have fond
memories of our high school friendship that carried on to college in
Tahlequah, where both of our grandmothers lived. Always the best
"kissin" buddy. Here's one last one, Kenny* 🍷

“ *This is heartbreaking news for me and my family. Our love and prayers go out to all of his family, especially to you Tommy and kids and grandkids and great-grandkids. We love you. Kenny was a part of our lives during his teen years. He went on vacations with us, fishing at the lakes, to concerts and shows. He loved Charlene's french toast and butter cake. We enjoyed him so very much. We've missed him for a long time. The Lord is enjoying him now, and we'll see him again one day.*
