“ *I really enjoyed working with Larry he was a hoot to work with. We worked downtown riding as a 2 man unit. Back in the 70's Muskogee had a lot more bars than there is now. Lots of bar fights. Larry being a farm boy didn't know his own strength he was quite a man. Really missed him when he retired. Larry was a man. I wish his whole family well, I know he will really be missed.*

“ I remember back in the late 70s when I was 12 years old going with my dad (Roger Lee) who was also a Police Officer at the time, meeting Larry & the boys, we would spend hours in the woods by their house rabbit hunting . Great memories that I will never forget. When Larry & my dad retired in the 90s I joined the force. I served my 25 years & retired in 2018. Time goes by so fast, so honored to have the memories that I will always cherish. Larry was a great man as well as a law enforcement brother that will be truly missed. God Bless & prayers to Sue & the rest of the family.
