“ A true Gentle Giant (Gentleman)...Remember him pulling up to the football field and getting out of his tiny red Karmann Ghia...he was so big to a 14 year old and then during practice one of our toughest players wanted to try Coach Keaton. When Coach K swatted Bob Hurst onto his backside with a blocking dummy we all got a good laugh... Coach Keaton was just a great guy with a booming laugh, huge hands and a very soft demeanor...Godspeed my friend.

“ MR KEATON we loved you. Great teacher and example. I will always remember your red car and how big you looked next to it. We all where a little scared of you because of your size. But really you were a gentle and patient man. Thank you for teaching us so much more than math. We will miss you.

“ *I recall Mr. And Mrs. Keaton around for my entire childhood. A duo we considered family. He always bought Scott and I a pop at the high school basketball games. Scott orange, me strawberry. Shortly before that he was getting in our chili for playing cup baseball in the hallway 😊 Mr. Keaton, you will be missed and fondly remembered. He loved us when we were good and when we were naughty kids. Mr. Keaton was a staple of our town and of the 5 Farmer kids childhood. Mrs. Keaton, we will keep you in our prayers. I am terribly sorry for your loss.*
