“ Sending lots of prayers to Lois Ann's family. I grew up next door to Lois Ann on N. 15th Street. She was always so kind to the little girl (me) who loved to talk to her and thought she was so beautiful. My deepest sympathies and condolences to all of you who loved her.

*My son, Sammy Richardson and I got to know Lois when she started coming to the Fresenius Dialysis Center. I was drawn to her as you were, Jacqueline. She had an attraction to new friends as I had become. She asked me to iron her clothes for her. I did. Sammy and I affectionately called her 'Little Bit'. We will continue to miss her as we have been. We will keep her family in our prayers for the peace they need and that they may lean on the Lord for strength going through this time.*
