“ *Even though I did not have her as a teacher, everyone in Ft. Gibson knew Loretta and loved her. She ALWAYS had a big smile for each person. She was a positive influence for students and parents, alike. Rest in peace, sweet lady!*

“ Loretta and I were the best of friends during high school when she lived above the corner drug store I have so many special memories of this precious friend. You could find us anywhere around town with our BB guns trying to shoot birds, or skating on the downtown streets, catching the bus on Saturdays to go to Muskogee shopping, and going to church camp every summer. This list could go on and on. She is someone everyone called their friend. Even though we did not spend as much time together after I moved to the country, I still referred to her as my very best friend I will miss just seeing her around town but I know she is in a better place and someday we can reunite again. Love you, my friend!
