“ Hi mama...I miss our quality time we shared together..the funny things that were for our eyes only...like the crow in backyard w/the plastic ball w/ holes in it stuck on its beak...and watching that vine grow on back fence, waiting to see how long it would take to meet in the middle...our Thursday True Story movies we watched...I know your looking over us all..Well, when you and the gangs not star jumping or hanging out on the moon...I love you...you know that...dad misses you, y know that..and of course little brother...I know your comforted knowing dad is doing amazing, he has came along way thru this cancer...I know you keep him at peace, it's not the same as having you to hold, but I know your by his side..hugs and kisses..OH...and...L.A. L.A. L.A. L.A. L.A. L.A....
